

WORRY-FREE GUARANTEE

5-Year, Transferrable Warranty on Labor *AND* Materials

If your paint cracks, chips or peels due to normal wear and tear within five years of project completion, we'll fix it at no cost to you, and we'll even supply the paint

If our work doesn't stand up to normal wear and tear* over the course of five years, that's our responsibility, not yours. Our **Worry-Free Guarantee** is even transferrable to future owners, so if you paint your house prior to selling, the buyer is covered for the remainder of the five-year period.

WHAT IS THE WORRY-FREE GUARANTEE?

Any company that claims to do the job right should be able to offer a warranty like this, yet most contractors don't. That should tell you something.

The average painting contractor's warranty only covers the labor, and it's only covered for a couple of years. We feel like our customers should be able to expect more from us. If we're able to use industry-recognized practices to apply the paint, it should last for at least five years. So it only makes sense to guarantee both labor and materials for that long. That's what makes it a Worry-Free Guarantee.

The cold hard truth is that most painters can't even stay in business for five years. Because we've been going strong for more than 20 years, and we have an immaculate customer rating on Angie's List and other online reviewing sites, you can feel confident that we can and will honor our Worry-Free Guarantee.

Just remember, if it's not a five-year Worry-Free Guarantee, it's not good enough.

Rest comfortably at night knowing your investment is protected.

*There will be a charge for material or labor if the area has been damaged under circumstances that aren't part of normal wear and tear.
